

Title: Lehman Immanuel Approach Ministry Fund

April 28, 2025

Greetings all,

The leadership at InterVarsity has decided that the atypical administration for the Immanuel Approach training fund has been so difficult that they are ending the current arrangement. We have now transitioned to a new arrangement. Charlotte and I have set up a Lehman-Immanuel-Approach-Ministry fund.

NOTE that we have not set up this new Immanuel Approach fund as a 501c3 (the administrative overhead would be quite burdensome for such a small endeavor), so your contributions will not be tax-deductible. But if you do not itemize your deductions (or you are willing to contribute even without a deduction), and you trust Charlotte and I to steward your contributions with conscientiousness and integrity, then please give as you feel led.

The good news is that the 13% administration fee will no longer be deducted from donations (since they will no longer be going through the InterVarsity system). Another up-side to this new plan is that the more general Lehman-Immanuel-Approach-Ministry fund will help support the many aspects of our Immanuel Approach work beyond just training and consultation for InterVarsity. (The following link provides a brief summary of the MANY Immanuel Approach resources and endeavors that will be supported by this fund [Resources/endeavors supported by Lehman IA Ministry Fund.](#))

More good news is that generous December 2024 giving enabled us to fully fund **ALL** of the InterVarsity Immanuel Approach adventures, from Jan 2020 through December 2024, covered under the InterVarsity IA training fund. So a huge "THANK YOU" to those of you who have given so generously to the IVCF IA training fund, and thank you in advance to those of you who feel led to support this new endeavor.

Blessings,

Dr. Lehman/Karl
