

Title: IA Testimony/Endorsement from Canadian Mental Health Professional

June 9, 2025

Greetings all,

Just a quick note to share a fun Immanuel Approach testimony/endorsement from a Canadian mental health professional:

“As a Registered Clinical Social Worker authorized to do psychosocial interventions in the Province of Alberta, Canada, who has worked as a mental health counsellor since January of 1991, the Immanuel Approach is now my preferred way of assisting people. When receiving comfort, validation, and creative ideas from Immanuel, the healing is deeper and more lasting for clients. Also, as a therapist, I leave the sessions energized and in awe, rather than feeling heavy. Thank you so much for all of your sacrificial work in developing this training.”

Blessings,

Dr. Lehman/Karl
